Cabins/Heads

5+1 / 3+1

The Jeanneau 53 is a large and spacious yacht, suitable for up to 12 guests. She is equipped with three bathrooms, four double cabins and one bunk bed. The saloon will make another double. The skipper cabin is completely separate from the other common spaces.

The equipment include furling headsail, in-mast roller furling mainsail, a bow thruster, autopilot, wind instrumentation. She performs well under sail and power. Will suit the scrupolous sailing enthusiast and the crew that want the luxury.
